Concerning the Kansas Mutual Life Association of Hlawatha, Kansas.

One of the most important duties in life to a man of family is to insure his life. How often it has saved the home to the wife and children of a deceased husband? The above company is a sound institution, officered and controlled by Kansas men of worth and integrity, complying with the state laws and reporting its business to its policy holders and the insurance department annually.

The plan is known as the "Natural Premium plan" and based upon the American experience tables of mortality, loaded twenty per cent, for reserve and expenses added. The rates are only about one half that of regular "old line" companies and the policy pays up in fifteen years. An even premium is charged, payable quarterly, which does away with the instability of the after death, or the nesessment company, and the losses are paid in fall. This company is endorsed by professional and business men all over Kansas, with eighty members in Sedgwick county, among whom are the Hon. H. C. Shus, Wichita, J. F. Sherman, capitalist, Wichita, H. L. Taylor, loan and insurance, Wichita, also the Hon. A. H. Horton, chief justice of Kansas, the Hon. E. 3. Pursell, banker, Manhattan, Kansas, who hold one of the company's policies. Money invested in this company, secured as it is, is after and more productive than any other form of investment your can make. It will make certain the support of your wife and children after your death.
